Bassaire custom products

Not all innovative applications can be satisfied with off the shelf units and bespoke solutions are required for many of the companies we serve. At Bassaire, we are capable of engineering solutions for any requirement and have worked closely with the end users to provide equipment that exactly suits the needs of the process.

Recent applications include:

- Kilo suite walk in enclosures
- Air showers
- Negative or positive pressure isolators
- Mini-environments
- Ventilated Down-flow workstations
- Solvent Booths
